On Nov. 13, 2018:

To Whom It May Concern:

Pursuant to the Michigan Freedom of Information Act, I hereby request the following records:

For all drainage charge adjustment applications filed by residential and/or commercial customers with DWSD between October 1, 2016 to November 1, 2018 we request,
The date the application was filed
The address for which the drainage charge adjustment application was filed
Whether the customer is a residential or commercial customer
The disposition of the drainage charge adjustment application

If there is no such record we instead request copies of all drainage charge adjustment applications filed by residential and/or commercial customers with DWSD between October 1, 2016 to November 1, 2018.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if

not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,

Sarah Alvarez
